

Your Wedding at Cullen Wines...

CULLEN WINES
WILLYARRUP - MARGARET RIVER

To share special memories...

Thank you for considering Cullen Wines for your Wedding Day.

At Cullen Wines, we understand the meaning of the word commitment. First planted in 1966 by Dr Kevin and Diana Cullen, Cullen Wines was one of Margaret River's first wineries and is committed to quality, integrity and sustainability. Cullen Wines has transformed itself from one of Margaret River's best into one of the country's premium boutique wineries.

In 2005, the iconic Diana Madeline Cabernet Merlot was elevated to the top Langton's classification category of "Exceptional" - reserved for just 11 Australian wines.

Cullen Wines is certified "A" Grade Biodynamic in both the vineyard and winery. The Restaurant sources the freshest local, organic, biodynamic, gluten free, vegetarian and free range seasonal produce and also relies on the Cullen Wines biodynamic and organic vegetable garden that is located at the winery. This means uncompromising freshness and flavour in the wines and food served on the night.

The Cullen Wines Restaurant, built of granite rock and local timbers, offers a warm, rustic, caring atmosphere. We can work with you to attend to all of your needs for your special event.

You can enjoy pre-dinner drinks on the verandah overlooking the vines and countryside, before moving into the restaurant, with beautiful views over the vineyard, which is lit up at night.
